Platters of rich, moist, delectable, and delicious desserts. A sky filled with glowing balls of fire and emblazoned with piercing streaks of light. The evening air rich with the sounds of an orchestral score.

Where in the world is this?

It all takes place at OAA's Celebration of Leadership Private Dessert Reception (*Friday Evening*) on the Italian promenade encircling the World Showcase Lagoon. Our guests will enjoy a front-row presentation of the premier nighttime spectacular at Epcot®, *IllumiNations: Reflections of Earth* as you sample platters of exquisitely prepared desserts and rich coffees.

This is a most incredible finale to any day, one that encompasses the entire World Showcase and the skies above. As a fiery glow of torches and sky-piercing lasers reflect on the lagoon, the boom of thunderous fireworks echo atop an original music score. It is a thrilling visual and aural extravaganza as the skies above the lagoon are transformed into a kaleidoscope of color from thundering pyrotechnic bursts. On a lagoon, images displayed across the Earth Globe tell the incredible tale of our planet before the sphere opens to signal the emotional finale of *IllumiNations: Reflections of Earth*.

At evening's end, our guests will agree this marvelous event was not "just desserts," but a celebration of friendship and camaraderie that will be recalled in the lasting memories of a magical evening.

As a part of this reception, each Leadership Conference attendee will receive a *free "after 4 pm" admission ticket to Epcot*, so you can enjoy the theme park prior to the reception. *The Evening at Epcot is sponsored by the Vision Council and Vision Expo East and West.*
